CLASS HISTORY

In September, 1947, we, the graduates of various eighth grades, although a little shyly and self-consciously, began a new phase of our educational life. We were now enrolled as Freshmen of L.P.H.S. New class officers were chosen each semester. Under the supervision of Miss Bauer and Mr. Nemanich a student council was chosen which is still in existence. Our class was awarded first place honors on a Halloween float in our Freshman year.

Upon entrance into the senior high we found ourselves bewildered as we made our way down the long halls to our various classes. Patricia Kesser was elected class president, with Rueben Kuehne as vice president, Helen Christiansen as secretary, and Ralph Steuck as treasurer.

Throughout the year under the advising of Miss Adamson and Mr. Dahlager, we enjoyed many school parties. This year we were given the pleasure of planning and preparing lunch for Homecoming and the boys were honored as waiters at the Junior-Senior Banquet.

Soon after we resumed school as Juniors, Bob Hysell was chosen leader of the many important events to come. Under him were Arlene Palmgren as vice president, Audrey Nentwich as secretary and Bob Lee as treasurer. One of the first tasks performed by the Junior class was the selection of class rings by which you are now able to identify us.

On November 12 of our Junior year a hilarious comedy, "We Shook The Family Tree", was presented under the direction of Miss Purdham. The performance was well supported and high honors were given to the members of the cast and stage crew.

Christmas cards were sold and various parties were given throughout the year to help finance the prom and banquet in honor of the Seniors. Hawaiian Fiesta became the theme around which we decorated for the big event. Many attended the prom, which proved to be a big success. This event drew us to the close of a most enjoyable year.

Seniors at last, after eleven years of hard work and lots of fun seventy-six Seniors returned to complete their last year at L.P.H.S. Jim Waller was elected president, with Henry Buelow as vice president, Helen Christiansen as secretary, and Stanley Kleinschmidt as treasurer. The term began with the traditional queen and football game. Following Christmas vacation the Sequoia editors and a staff were selected and work began. The Senior class play, "You Can't Take It With You", was selected for presentation in April under the direction of Miss Purdham. As the school year drew to a close, we were invited to the Junior-Senior Prom and Banquet.

On the evening of June 1, to the strains of Pomp and Circumstance, we, the class of 1950, slowly made our way down the aisle to receive our diplomas and to make our final farewells through the echoing halls of good old Long Prairie High School.

"HAWAIIAN FESTA"

Shortly after January 1, 1948, many so called ambitious Juniors began gathering in the halls and classrooms to talk about the big event coming on May 7, 1948, the prom.

As time flew by we had made plans and remade plans. But finally our ideals began to take form and the various committees began their work. Some committees secured colored crepe paper and tried to produce orchids, which just didn't seem to look like orchids. Others designed place cards, planned menus, secured "Hazy" Williams and his orchestra, and attended to all other details.

After weeks and weeks and hour after hour of hard work, the gym finally began to look like a Hawaiian garden.

At 6:30, on the evening of May 7, the banquet began. After everyone had partaken of all the delicious food prepared by the Catholic Ladies Aid, the Master of Ceremonies, Thomas Differt, rose, tapped on his glass and the program began. The speakers were Bob Hysell, Bob Weinhold, Mr. Frey, and Mr. Lee. The entertainment included the girls' octet, vocal solos by Bob King, and a clarinet duet.

When twelve o'clock rolled around everyone was tired and willing to go home. The prom was over until another year.

HOME COMING

Ah !what pleasant memories that last home game brings; especially to our Queen Beverly and her attendants, Anne and Arlene. The day's festivities were begun in the afternoon with a pep meeting at which the Queen was crowned by co-captains Bob Hysell and Herbie McNeal. After her coronation she proclaimed that the day was to be set aside as one of fun and festivity. Following the pep meeting a parade, led by the band, marched uptown.

The first event of the evening was the game with Osakis at which we were most victorious. Following the game a dance was held in the gym.

The decorations are now taken down, the crown is put away for next year's Queen, but we'll never forget the pleasant memories associated with the Homecoming of '49.
